## PRACTICE INFORMATION

Practices begin the first Saturday in August at 8:30 AM. There is no equipment required for the first 10 hours of practice other than helmet, mouthguard, and practice jersey (and football shoes), after which full contact practices occur. Once practices start, please have players check the Team Pages for current information. Practices are on Saturday mornings from 8:30 - 11:00 AM, and every Monday, Tuesday and Thursday night from 5:00 - 7:00 PM. Check the online Calendar throughout the season for updates on practices. We practice rain or shine, and it is rare for us to cancel practice. Please check our website regularly for updates.

## ROSTERS

Rosters are published each season once players are assigned to individual teams. This usually takes place within the first few weeks of practice. They are now available for 2009 by clicking on the link under each team.
